US-BC7120 "BIG BLUE" LIVESTOCK SCALE

USA Measurements "Big Blue" livestock scale for weighing animals. Any farmer, livestock owner, or 4H group understands how important it is to weigh animals. We need to track feed, check the animals weight gain, induce medicine, and weigh the animals prior to taking it to market. Our US-BC7120 is designed for these specific animals: sheep, pigs, goats, hogs, swine, and more.

US-BC

MODEL NUMBER	CAPACITY	PLATFORM SIZE
US-BC7120	1,000 lb x 1 lb	Carbon Steel Platform 71"x20"
US-BC7120HD	1,000 lb x 1 lb	Carbon Steel Platform 71"x20"
US-BC8020	3,000 lb x 1 lb	Carbon Steel Platform 80"x20"
US-BC8040	3,000 lb x 1 lb	Carbon Steel Platform 80"x40"

The US-BC7120 is designed differently than any other scale on the market. It's completely wash down safe. Almost all the scales sold online are not safe for washing or cleaning. That is why this scale is your best option to use with animals. The "Big Blue" load cells are installed on top of the scale making it different than any other product on the market. Unlike many other livestock scales. This scale does not sacrifice quality. The scale is built with over 120 lb of steel. This provides a reliable, durable, and precise scale for years to come. The thick steel protects against impacts, heavy use, and day to day operations.
