# OP-916 FLOOR SCALES

PrimeUSAScales
"Best Scale at the Best Price"

OP-916 Series is a heavy duty industrial floor scale. Along with our OP-900 indicator this scale is easy to operate and has a one second response time. The steel platform is diamond plated for non-slip durability and painted with a matte blue finish. This scale has the capability to be placed in ground and level with your surface floor, or above ground with either ramps for easy on and off access or with bumpers to protect the scale from forklift damage. Our floor scales can come in any custom size, shape or capacity to meet your needs.
