TRUCK SCALES · PRE-OWNED INVENTORY

USED · EXCELLENT CONDITION

Unibridge HAWG 100' Truck Scale

11' × 100' Low Profile · 100 Ton Capacity · Military Installation History

WHY BUY THIS SCALE

- ✓ Low-profile steel deck — easy drive-on access
- ✓ Used only for light U-Haul traffic at a U.S. military installation
- ✓ All 10 load cells tested operational
- ✓ New AW1680 Digitizer indicator included
- ✓ RM-3 Outdoor Scoreboard display included
- ✓ 6-month warranty on load cells & readout
- ✓ Free shipping — ready to ship Oct 31, 2026
- ✓ Significant savings vs. new truck scale

Military Installation History. This scale was exclusively used to weigh light U-Haul rental trucks at a U.S. military base — one of the gentlest use cases for a truck scale. It has never seen overloaded commercial trucks or construction traffic.
