Stainless Steel "Big Lift" Crane Scale with Printer

Heavy-duty 304 stainless steel crane scale with wireless handheld display and built-in thermal printer. Designed for high-capacity industrial lifting, recycling, freight, and marine applications. Factory-calibrated and ready to use.

2-Year Warranty | Waterproof | Includes Printer | Non-NTEP

KEY FEATURES

- 304 stainless steel housing — waterproof, dustproof, anti-corrosion
- US-WFX wireless handheld display with integrated thermal printer
- Print weight tickets on demand — eliminates manual recording
- 5-digit super bright display — clear reading in direct sunlight
- Built-in 8,000 mAh rechargeable battery + AC/DC adapter
- High-precision alloy steel load cell for reliable accuracy
- Full-capacity tare / peeling function
- 6.14 mm thickened steel plate construction
- Factory calibrated — ready to use out of the box
- 2-year warranty on frame and electronics

SPECIFICATIONS

Model	US-BL6KSS-P
Capacity	6,000 lb / 2,722 kg
Readability	1 lb / 0.5 kg
Display	US-WFX Wireless Handheld Display + Thermal Printer
Units	LB / KG
Load Cell	Alloy steel
Power	8,000 mAh battery + AC/DC
Tare	Full capacity
Housing	304 Stainless steel (6.14 mm)
Weather	Waterproof / dustproof
Calibration	Factory calibrated
NTEP	Non-NTEP
Warranty	2 years

COMMON APPLICATIONS

✓ Overhead crane weighing ✓ Recycling & scrap yards ✓ Freight & shipping ✓ Container & cargo weighing ✓ Forestry & logging
✓ Steel & metal fabrication ✓ Construction ✓ Marine & offshore ✓ Warehousing ✓ Industrial lifting
