USA MEASUREMENTS LIVESTOCK & CATTLE SCALES

USA Measurements US-CT60-8x20-15K

8' x 20' Stationary Livestock Scale, NTEP Approved, Permanent Installation

WHY RANCHES AND SALE BARNS CHOOSE USA MEASUREMENTS

- ✓ NTEP **Legal for Trade**, CC# on file
- ✓ **15,000 lb Capacity**, 5 lb resolution
- ✓ **8' x 20' Deck** largest single-pass group capacity
- ✓ **Permanent Installation** pad-mount supports, no pit required
- ✓ **US-6011 LCD Indicator** included, side-panel mount
- ✓ **5-Year Frame Warranty**, FREE SHIPPING included

WHY A STATIONARY SCALE?

The 8' x 20' deck is built for the busiest operations: sale-barn group weighing, feedlot draws, and ranch headquarters where livestock cross the scale every working day. Set on a concrete or compacted gravel pad with pad-mount supports, weigh the entire group in a single pass, and capture an NTEP weight every time. Built by USA Measurements for high-volume continuous use.

USA MEASUREMENTS US-CT60-8X20-15K, FEATURES & SPECIFICATIONS
